

Mondi Zimele Jobs Fund

Mondi Zimele is the enterprise development arm of Mondi South Africa. Our aim is to encourage long term economic empowerment and job creation by developing small businesses in Mondi's forestry value chain and surrounding communities.

Mondi Zimele has established the Mond Zimele Jobs Fund which provides business support and low interest loans to emerging businesses that create sustainable employment.

Find out more about us at
www.mondizimele.co.za
