

MONDI ZIMELE PROJECT

kwaZiqongwana Community Trust and Mkhwetha Trading Company (Pty) Ltd

The fruits of our land

When a community trust took ownership of a forestry estate formerly owned by Mondi, the trustees turned to Mondi Zimele to help them turn their dream of running their own business, and controlling their own destiny, into reality. Mondi Zimele is providing a comprehensive package of business support services, including a low interest loan, to the kwaZiqongwana Community Trust and Mkhwetha Trading (Pty) Ltd, its forestry contracting business.

The estate is situated in Zululand and comprises 4 920 ha with half of that area planted to timber. This is good tree farming country with deep soils and good rainfall.

The Mondi Zimele team is working closely with the trustees and the business manager to ensure that there is a transfer of skills and capacity so that the business can thrive and grow. This will create a platform for community empowerment and development into the future. It will ensure that the community members are in a position to take control of their own destiny, and reap the fruits of their land.
